A Pleasure for the Wife

The woman who does her own baking should enjoy
it immensely. Baking is really a pleasure and the source
of much satisfaction if the housewife has much confidence
in her results. But the excellency of her baking de-
pends almost entirely on the quality of the ingredients
which she uses.

"Yale Pride" and "Belle"

are milled and blended especially for home use. They
are "satisfactory flours" and the wife is sure of inviting
bread and pastries when she uses them.

THIS SORT OF BANK PAYS NO INTEREST!

SOME folks are still so out of date—or, to put it more frankly, so
FOOLISH—as to hide their savings in an old teapot, or an old
stocking, or under the carpet, or in some other secret place. They
seem to think a bank is MYSTERIOUS or COMPLEX or UNSAFE. This
sort of notion is, of course, way BEHIND THE TIMES. Deposits in
this bank are SAFE, and they GROW. This bank is under GOV-
ERNMENTAL supervision.

Contest Notes

Saturday was another big day for our
contest. It is surprising the amount
of interest one of these contests stirs
up in a community. It's a good thing
for our advertisers and a mighty good
thing for us. There hasn't been a day
during the past few weeks that we
haven't added new names to our list
and there is lots of money coming in
from our old subscribers.

Every business man in Yale knows
the value of the Expositor as an adver-
tising medium if away ahead of any-
thing in this neck-o'-the woods, and we
expect to add many more new names
to our already large list, which will
make it still better for those who ad-
vertise with us.

During the two hours which were set
aside for double votes on Saturday,
over \$60.00 was paid in and the final
returns on that day's business convinces
us that the extra votes put more life in
the contestants, so we have decided that
for one hour next Saturday, from
2 to 3 o'clock, we will give three times
the usual number, and this will prob-
ably be the last day for extra votes.

While we are not setting a definite
date for closing the contest, we want
to wind it up by the third week in May
if possible, so if you have been prom-
ising the workers your money, give it
to them now so we can finish the job.

Below we publish the names of the
ten leading contestants up to Wednes-
day evening:—

Jason Holt, route 7, Yale.....\$9200
Mrs. Frank Phillips, Yale.....\$3400
Mrs. Chas. Bragg, Yale.....\$5150
Iva Lutz, route 4 Yale.....\$5600
Justin Cavanagh, Yale.....\$4600
Natalie Knapp, route 5, Yale.....\$4300

M. E. Church Notes.

WALDREN GEACH, PASTOR
Splendid services last Sunday. Ser-
mon by Rev. Glass. Special music;
sings by Mrs. Locklin of Sarnia, Mrs.
Etchever, Yale, and Roy Bricker, Mar-
quette. At six o'clock Rev. Glass con-
ducted a conference for Sunday school
workers which was very profitable.

Several autos took people to Brook-
way for the afternoon service.
Wednesday, May 5th the ladies of
the church have their regular business
meeting with Mrs. Staley.

Second Sunday in May Mother's
Day. The suggestion that a white
carnation be worn in honor of mother.
Would that every mother in the land
who has a son away from home might
receive a love letter the Saturday night
before Mother's Day. Hearts will
sing, faces will glow in happiness, the
weight of years of struggle will roll
away, and anxiety will be appeased in
the reading of these messages.

"If you have a gray haired mother in
the old home far away,
Sit down and write that letter you've
put off from day to day.
Don't wait until her weary step reach
Heaven's pearly gate,
But show her that you think of her
before it is too late."

Junior League discontinued for a
while.

W. H. M. S. with Mrs. J. H. Moore
Tuesday, May 11. Good program be-
ing prepared.

Miss King, a Deaconess, was here
and gave a splendid address on the
work. She was a very pleasing speaker.

How nice flowers make the church
look. Can't we bring them when we
have any?

Still At Your Service

I wish to announce to my friends
and former patrons that I expect to
continue in the undertaking business
and have made arrangements for the
use of a funeral car and shall very soon
put in a complete line of caskets. In
the meantime I shall be prepared to
take care of any calls in case my ser-
vices should be desired.

I can promise you that there will be
nothing to complain of in the way of
equipment and shall endeavor to give
you the best service possible. Tele-
phone 54 day or night. A. V. Farnlee.

OBITUARY.

Be still prepared for death and death or
life shall thereby be the sweeter.—
Shakespeare.

Nathaniel Buell died at the home of
his daughter, Mrs. Millie R. Harvie,
111 Theodore avenue, Detroit, Sunday,
April 25, 1915, aged 81 years, 2 months
and 13 days, after an illness of only
six weeks.

Deceased was born in York state
July 12, 1833, and with his parents
moved to Michigan when a boy. He
was married to Margaret Weese at
Port Huron, and four children were
born to them, three of whom are living,
David, Frank and Mrs. Millie R. Harvie
of Detroit. One son died a year ago.
The wife and mother departed this life
thirteen years ago.

For many years he followed lumber-
ing in St. Clair, Sanilac and Lapeer
counties, and made many drives of
logs down Mill Creek. During the past
twenty years he has held the position
of head patrolman at the Solway Pro-
cess Works at Delray, and was a trusty
and honorable employee, much beloved
and trusted by his employer.

He joined Ashler Lodge No. 91, F.
& A. M., of Detroit, many years ago
and held membership in this order up
to the time of his death. The last sad
rites were given deceased by his home
lodge, and on the arrival of the body in
Yale Tuesday morning the members
of Brookway Lodge took charge of the
ceremonies and in a body marched from
the depot to the Methodist Protestant
church where Rev. Chas. Bragg deliv-
ered a very touching and impressive
sermon from the text, "Remember Thy
Creator in the Days of Thy Youth."

After the services in the church the
Masons, relatives and friends proceeded
to Elmwood cemetery where the body
was deposited in the grave under due
ceremonies and honors.

Deceased was a man much beloved
by his family and friends, all of whom
greatly regret his departure.

Pedigreed Seeds

The work on the oat project was con-
tinued until the early part of last week
when seedling time and exhaustion of
the supply of seed brought the work of
planting tests with oats to a close. In
addition to the names mentioned last
week this seed has been placed with
the County Poor Farm at Goodells and
with Fred Hyde in Emmett township.
Mr. Hyde showed his interest in the
movement by becoming a member of
the State Association.

Owing to the lateness of the season
for spring crops and the limited time
at our disposal no local association was
formed while in Emmett township
last Tuesday but enterprising men in
that locality have the matter in hand
and will be lined up for some pedigreed
seed this fall.

The farms of Daniel Foley, Lawrence
Powers, Messrs. Clifford, Cavanagh
and others were also visited. A day
was also spent in Grant township and
the farms of John Norman, Charles
Weikmeister, Albert Myron, Crozier
Rutledge and John McDonald were
visited. The association formed by the
Grant people made a total of at least
six of these organizations in the county.
Some time last week was spent in Fort
Gratiot township, the general nature of
the work being the solutions of prob-
lems regarding drainage, alfalfa, lime
and soil testing. Among the farms
visited were those of Messrs. Hitchings,
Lambert, Quail, and Quinlin. The
works and plans of the county farm
bureau were discussed with the China
Farmers club at the home of Edwin
Rankin on Wednesday. This was fol-
lowed with a question box, the inquir-
ies of which were answered in the
Times-Herald. The soil on Mr. Ran-
kin's and neighboring farms was test-
ed and found to be deficient in lime.

The members of this club are showing
good interest in the work and among
other things arranged for a Farmers'
school to be held in their locality next
winter. The ladies also will have a
week's course in domestic science at the
same time.

The support given the Improved
Seed work in the county shows that
it is going to be generally realized that
attention must be paid to the breeding
of farm crops as well as farm animals
and that the same general principle
applies to both. No more seed organ-
izations will be attempted until the
state assures us that they can supply
sufficient seeds. The indications are
that the supply available for this coun-
ty has been exhausted for the present.
C. L. Brody, St. Clair Co. Agt.
